

CURRICULUM VITAE

NAME: Nick Anthony DeFilippis, Ph.D.
PLACE OF BIRTH: Chicago, Illinois
PSYCHOLOGY LICENSES: GA, HI, FL, WV, CT, OH, AL
OFFICE ADDRESS: 990 Hammond Dr, NE, Bldg.1, Suite 730, Atlanta, GA 30328
OFFICE PHONE NO.: 770-730-9930
E-MAIL ADDRESS: nickdefl@aol.com
WEB PAGE: www.atlantapsychologicalassociates.com

DEGREES

B.A.: Northwestern University, Evanston, Illinois; Psychology

M.A.: University of Iowa, Iowa City, Iowa; Clinical Psychology

Ph.D.: University of Iowa, Iowa City, Iowa; Clinical Psychology

RESEARCH

1971 to 1974: United States Public Health Service Fellow, University of Iowa

1979 to 1985: Clinical Editor, *Clinical Neuropsychology*.

1981 to 1990: Consulting Editor, Psychological Assessment Resources, Inc., Odessa, Florida.

1978, 1979, 1980: Augusta State University, Faculty Research Grant Recipient.

1997: Georgia School of Professional Psychology, Faculty Research Grant Recipient

1989 to Present: Ad Hoc Reviewer, *Journal of Consulting and Clinical Psychology*, *Archives of Clinical Neuropsychology*, *Journal of Clinical Psychology*, *The Clinical Neuropsychologist*, *Journal of Clinical and Experimental Neuropsychology*.

1989 to 1995: Editorial Panel, *Professional Psychology: Research and Practice*.

1997 to Present: Editorial Panel, *Applied Neuropsychology*.

1998 to 2002: Editorial Panel, *Journal of Clinical Psychology*.

1999 to present: Associate Editor, *Applied Neuropsychology*. *Adult and Child* editions

2008 to present: Clinical Research Investigator Panel, Perimeter Institute for Clinical Research.

2013: Adjunct grant reviewer, Netherlands Organization for Scientific Research

CURRENT RESEARCH PROGRAMS

The following represent long-term projects that Dr. DeFilippis is actively involved in for the purpose of developing new measures of psychological and neuropsychological functioning. He is also involved in numerous research projects in a variety of areas of psychology through his supervision of doctoral dissertations:

Development of a neuropsychological screening instrument based upon the behavioral neurological examination of Alexander Luria.

Development of scales of perseveration, memory and loss of set for the Booklet Category Test. Project in cooperation with researchers at the University of Aveiro and the Lusiada University, Portugal, New York University, and NIH..

Working with researchers at the University of Aveiro, Portugal to develop a Portuguese version of the Category Test and the study of EEG correlates of antisocial personality. Currently, the research team obtained a grant from the Portuguese government and pharmaceutical company, BIAL, for an initial study.

TEACHING

- 1972 to 1974: Teaching Assistant, Psychology Department, University of Iowa
- 1975 to 1976: Assistant in Education, Psychiatry Department, University of South Florida Medical School.
- 1976 to 1980: Assistant Professor, Psychology Department, Augusta State University (formerly Augusta College)
- 1989 to 1991: Adjunct Faculty, DeKalb Community College, Oglethorpe University.
- 1990 to Present: Full Professor (half time appointment) and Coordinator of Neuropsychology Concentration (Division of Neuropsychology of American Psychological Association Conforming Program), Georgia School of Professional Psychology, Atlanta. Typical courses taught: Cognitive Assessment, Personality Assessment, Neuropsychological Assessment, Physiological Psychology.
- 1996 to 2012: Director, Post Doctoral Training Program in Neuropsychology. Fielding Institute (Program in Development).

CONSULTING

- 1977 to 1978: Ogeechee Area Mental Health Center, Swainsboro, Georgia; Assisted in developing geropsychiatric program.
- 1979 to 1985: Youth Development Center, Augusta Georgia; Assisted in staff and program development.
- 1979 to 1988: Consultant to several nursing homes in Augusta and Atlanta areas providing in-service training and program development.

1980 to 1982: Easter Seals: Consultation in program development.

1980 to 1982: Continental Forest Industries, Augusta, Georgia. Provided stress management seminars and assisted in development of employee assistance programs.

1979 to 1981: Veterans Administration Medical Center, Augusta, Georgia: Program and staff development in geropsychiatry.

1982 to 1990: American Psychological Association Peer Reviewer.

1980 to 1985: Head Start, Augusta, Georgia: Consultant to Mental Health Program.

1985 to Present: Medical Expert, Social Security Administration, Office of Hearings and Appeals

1983 to 1987: GPA Medicaid Liaison Committee.

1985 to 1991: Consultant, Atlanta Head Injury Center, neuropsychological consultations and staff development.

1986 to 1990: American Psychiatric Association Peer Reviewer.

1987 to 1990: Chairman, Worker's Compensation Board Peer Review Committee.

1987 to 1990: Chairman, GPA Professional Standards Committee. Developed current guidelines for conducting child custody evaluations in Georgia.

1987 to 1992: Consultant, Windy Hill Hospital and Gwinnett Medical Center Mental Health Programs.

1987 to 1992: Windy Hill Hospital's Pain Management, Headache and Weight Loss Programs.

1991 to 1994: Consultant to Clark-Atlanta University Head Start Program.

1992 to 1995: Director, Scientific Division, HYBMM Overseas, Inc.

1994 to Present: NIH Peer Reviewer.

1996 Consultant in Neuropsychology, Scottish Rite Hospital.

1974 to Present: Forensic Consultation. Dr. DeFilippis has consulted to numerous attorneys, insurers, government agencies, and private organizations in the area of forensic psychology. These consultations involved civil and criminal cases in child custody, disability, liability and a variety of other legal issues. He has been accepted as an expert and given testimony in Federal, state and local courts.

2003 Consultant in Psychology to Project Focus, Alcohol and Drug Treatment Program, Fulton County, GA.

CLINICAL

1997 to Present: Georgia Department of Human Resources Peer Reviewer.

1985 to 2012 Consultant in Neuropsychology, Youth Villages..

1973 to 1974: Veteran's Administration Psychology Trainee, Iowa City, Iowa.

1972 to 1974: Psychotherapy Practica, University of Iowa, Psychology Clinic.

1974: Neuropsychology Practicum, University of Iowa, Neurology Department.

1975 to 1976: Clinical Psychology Internship, University of South Florida, Department of Psychiatry and Tampa VAMC consortium.

1976 to 1977: Post-Doctoral Supervision (Clinical Psychology).

1977 to 1980: Post-Doctoral Supervision (Neuropsychology), Medical College of Georgia.

1978 to Present: Independent Practice, Director, Atlanta Psychological Associates. Staff privileges held in numerous hospitals with geriatric, adult and child psychiatric, eating disorder, and substance abuse units. Currently hold privileges at 3 facilities.

1980 to Present: Provision of mental health services to numerous EAP plans and managed care organizations.

1982 to Present Awarded numerous contracts with local and Federal public safety departments for provision of pre-employment and fitness for duty evaluations.

1989 to Present: Panel of providers in neuropsychology for Georgia Head Injury Foundation and Georgia Division of Vocational Rehabilitation.

1996 to Present: Co-Director Drug and Alcohol outpatient treatment program, contracted to Federal Department of Probation and Parole and Bureau of Prisons.

ADMINISTRATION

1978 to Present: Managed private psychological practice with 2 to 12 employees.

1980 to 1983 & 1990 to 1992 Coordinator of mental health plan for psychological services to multi-county Head Start programs.

1996 to Present: Co-Director Mental Health and Chemical Dependency programs for Bureau of Prisons and Federal Probation. Several programs under contract.

2001 to Present Director of contract for federal law enforcement agency pre-employment evaluations for Southeastern United States.

1998: Coordinator of Neuropsychology Concentration, Argosy University, Atlanta.

2003 Examiner, Board Certification Examinations, American Board of Professional Neuropsychology.

2007 to Present Examiner, Board Certification Examinations, American Board of Professional Psychology.

CURRENT HOSPITAL STAFF AFFILIATIONS

1995 to Present: Children's Healthcare of Atlanta, courtesy

COMMUNITY SERVICE

1977 to 1985: Advisory Board, Child Enrichment, Inc., Augusta, Georgia; Assisted organization in operation of child abuse shelter.

1981 to 1987: Board of Directors, Cobb County Child Shelter.

1983 to 1985: Advisory Committee, Youth Development Center, Augusta, Georgia.

1988 to 1989: Advisory Committee, Gwinnett Rape Crisis Center.

1990 to 1992: Professional Providers Committee, Georgia Head Injury Foundation.

1978 to Present: Pro Bono provision of psychological evaluations upon referral from physicians and social service organizations.

POST GRADUATE EDUCATION/TRAINING

Besides regular participation in continuing education seminars in the fields of neuropsychological and psychological assessment, Dr. DeFilippis has received additional training in the following areas through workshops, institutes, conferences and supervision:

- Sexual offender assessment
- Sexual dysfunctioning
- Chemical dependency assessment and treatment
- Dialectical behavior therapy
- Post traumatic stress disorder assessment and treatment
- Psychopharmacology
- Systemic family therapy
- Child and adult behavior therapy
- Cognitive behavioral therapy
- Hypnotherapy
- Forensic Psychology
- Substance Abuse Professional Certification (SAP)

PUBLICATIONS/PRESENTATIONS

The following is a listing of publications presentations and seminars to local, regional national and international professional organizations. Many of the presentations area abstracted in peer reviewed journals. Dr. DeFilippis has also provided numerous talks to local community groups on various topics in clinical and neuropsychology. Please note: all journals listed are peer reviewed.

- DeFilippis, N.A. Cross-Gender identity in childhood; Resources in Education; December 1977.
- DeFilippis, N.A. Validity of the Missouri Children's Behavior Checklist; Research Relating To Children; Bulletin 42, 1977.
- DeFilippis, N.A. Concurrent validity of the Quick Test; Research Relating to Children: Bulletin 42, 1978.
- DeFilippis, N.A. Concurrent validity of the Missouri Children's Picture Series; Journal of Clinical Psychology, 1979, 35; pp. 433-435.
- DeFilippis, N.A. Normative data and clinical validity of the Missouri Children's Behavior Checklist; Journal of Clinical Psychology, 1979, 35; pp. 605-610.
- DeFilippis, N.A. The historical development of the concept of hyperkinesia; Clinical Neuropsychology, 1979, 1; pp. 33-35.
